AUGUST 1990

IMPOSSIBLE
BUT VERY TRUE
SOME MORE NEW
PROGRAMS FOR
OUR MEMBERS

THE ABOVE WAS PRINTED ON SIZE A4 SHEET WITH "POSTER PRINTER".

THEN REDUCED TO HALF ORIGINAL SIZE.

DEAR MEMBERS

OUR "MAD MAY SALE" WAS QUITE A SUCCESS, WITH MANY OF YOU TAKING THE OPPORTUNITY TO OBTAIN PROGRAMS AT THE VERY LOW PRICES OFFERED.

AS A RESULT OF THIS SUPPORT WE HAVE DECIDED TO CONTINUE THE SALE PRICE OF \$5-00 OFF PROGRAMS IN OUR "MAY" NEWS LETTER (IF BY CHANCE YOU DID NOT RECEIVE THE "MAY" NEWSLETTER, JUST ASK FOR ONE!!) BUT PLEASE NOTE THE PRICES IN THIS NEWSLETTER ARE NOT SUBJECT TO THE "\$5-00 OFF" OFFER.

IT IS VERY PLEASING TO RECEIVE THE LOTS OF LETTERS CONGRATULATING THE CREW ON THE GOOD WORK WE ARE DOING, THE HIGH STANDARD OF OUR PROGRAMS, LARGE SELECTION, & LOW PRICES, ALSO OVERWHELMING PRAISE FOR OUR FAST DELIVERY.

BEING ONLY HUMAN, THERE ARE OF COURSE TIMES WHEN OUR CLUB EXECUTIVES GET A LITTLE DISCOURAGED, & START TO WONDER IF ALL THE HARD WORK IS APPRECIATED, EVEN TO THE POINT OF QUITTING. THEN SOME KIND MEMBER LIFTS THEIR MORALE AGAIN WITH A LETTER OF PRAISE, WHICH WORKS LIKE A CHARM. SO YOU SEE WE DO NEED & APPRECIATE YOUR CONTINUED SUPPORT OF YOUR CLUB.

AS ALWAYS OUR MOST DIFFICULT TASK IS CONTACTING MSXers WHO ARE UNAWARE OF THE CLUBS EXISTANCE, THOUGH WE DO ADVERTISE WIDELY IT IS VERY EXPENSIVE, (Did you see our small advert in the Melbourne "TRUTH" recently, initially it was placed on the same page as those "suspect" video tapes, we can't imagine what some people thought "M.S.X" meant but you should see some of the letters we received?????, though we did hear from some GENUINE MSXers).

THERE ARE OTHER METHODS OF CHEAP ADVERTISING WHICH YOU MAY HAVE ACCESS TO, e/g CLUB NOTICE BOARDS & NEWSLETTERS, FREE NOTICE BOARDS IN YOUR DELI OR SUPERMARKETS & ETC, YOUR LOCAL NEWSPAPER MAY HAVE SOME FREE ADVERTISING, OR MAYBE YOU COULD SEND US A COPY, SO WE COULD CONTACT THEM DIRECT.

THE SOURCES ARE ONLY LIMITED TO YOUR INITIATIVE & YOUR DESIRE TO ASSIST US IN OUR ENDEAVOURS. YOU COULD ALSO DISCOVER NEW FRIENDS WITH COMMON INTERESTS IN THE PROCESS, PLUS WE WILL REWARD YOU WITH FREE SOFTWARE FOR ANY NEW MEMBERS INTRODUCED.

MEMBERS ARE STILL WINNING LOTS OF FREE SOFTWARE IN OUR LUCKY NUMBER COMPETITION (See prize list in the MAY newsletter), REMEMBER, YOU GET ONE FREE TICKET FOR EVERY \$10-0 VALUE OF YOUR ORDER, IF YOU ARE LUCKY ENOUGH TO HAVE A WINNING TICKET NUMBER, THE VALUE MUST BE "ADDED TO" & NOT BE "PART OF" YOUR NEXT MINIMUM ORDER.

WE ARE IN THE PROCESS OF PRODUCING A BOOKLET CONTAINING A VERY COMPREHENSIVE M.S.X & SPECTRAVIDEO BASIC COURSE, WRITTEN IN A VERY USER FRIENDLY STYLE. PRICED AT \$10-00 EACH, POST FREE IF INCLUDED WITH A NORMAL ORDER, OR ON IT'S OWN ADD \$2-00 P/P. AVAILABLE BY THE TIME YOU READ THIS.

WELL, AS BUGS BUNNY SAYS "TH-TH-TH-THAT'S ALL FOLKS", & THANKS FOR YOUR SUPPORT, ED.

MEMBERS PLEASE NOTE

THE PRICES IN THIS NEWSLETTER ARE ACTUAL. AND NOT SUBJECT TO THE DISCOUNT OFFER IN OUR "MAD MAY SALE" EDITION.

MEMO TO ALL MEMBERS

AS OUR LISTS OF AVAILABLE PROGRAMS GROW EVER LONGER, THE SPACE IN OUR NEWSLETTER FOR OTHER TYPES OF ARTICLES OF INTEREST OBVIOUSLY BECOMES LESS.

THE ADDED EXPENSE IN MATERIALS & POSTAGE, INHIBITS MAKING THE NEWSLETTER ANY LARGER, SO WE BELIEVE THE ONLY WAY TO GO IS TO PERIODICALLY ISSUE A SPECIAL NEWSLETTER CONTAINING ITEMS OF INTEREST FOR OUR MEMBERS.

OF COURSE AS ALWAYS WE ARE OPEN TO OTHER SUGGESTIONS ON THIS.

THE CONTENTS OF ANY SPECIAL "MAGAZINE" EDITION WOULD DEPEND MAINLY ON YOUR INPUT, DROP US A LINE ON ANY SUBJECT, eg REVIEW YOUR FAVOURITE PROGRAM:HIGH SCORES:LIKES & GRIPE:BRIGHT IDEAS:NOT SO BRIGHT IDEAS:HELPFUL TIPS & HINTS:JOKES?:INSULTS?:EVEN IF LITTLE ARCHIBALD HAS CUT HIS FIRST TOOTH???: IN FACT ANYTHING OF INTEREST NO MATTER WOT!!!.

IT DOESN'T MATTER IF YOUR SPELLING IS ATROCIOUS, & WE DON'T EXPECT YOU TO BE A TOP JOURNALIST, JUST WRITE IT AS YOU WOULD SPEAK IT & WE WILL SORT IT OUT FOR YOU.

NO EXCUSES NOW !!!!!, GET OUT THE PEN & PAPER & START WRITING.
PERLEEZE !!!!!!!.

HELP NEEDED

These programs have a ".COM" loader, is there any GENIUS among our members capable of converting this loader to a BASIC loader, which would enable us to supply these games on CASSETTE.

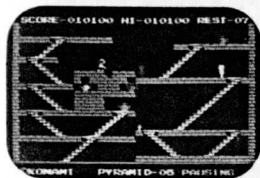

After purchasing some of these programs if you can convert the loader, return the program/programs to us on disc & we will supply another program/programs of your choice FREE to convert for us, this will not only keep you busy, you will also be doing our cassette only members a great favour by giving access to programs they could not otherwise use.

SPY STORY

64K

Exhausted Secret Service 001 flung himself into the smooth antelope

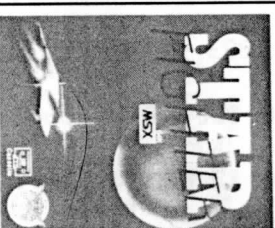

leather driver's seat of his navy blue jaguar. The dangers he had to face in the past few days, had been multitudinous, and frankly he was dying for his warm and comfortable nest. At least Elizabeth, his lovely girlfriend, would give

him the quiet and tenderness he was longing for so desperately. "Wine, some French cheese, dimmed lights..."

001 could picture to himself his romantic evening quit vividly. But no sooner had he entered Elizabeth's delightful residence, than the phone rang. "Touching, 001. But there is no time for your amorous escapades. It's time for action! And after this equally concise as disenchanting message he received from HQ, our stressed hero again lifted himself into his navy blue Service car, heading for a new mission. Could you please take over for him?

STARFIGHTER

64K

Your first journey beyond our galaxy! Relying on the trustworthy Cruise Shuttle "Starfighter", you blast off, feeling very excited.

Keeping the course locked on the Dirimian System, you move rapidly into warp, position, and hype into outer space. Only upon your arrival you realize that your adventure will not turn out quite how you expected... Is this a

devilish trick of the eye, or are you really facing the ugly Urnuth rebellions? You are! Avoid, outrun or destruct the Urnuth Death Squad, although that won't solve all of your problems. Only if you seek out the rebel headquarters, enter them after cracking the password and blow the central power core to smithereens, have you any chance of returning safely... Bonne chance!

LOADING TAPES SUCCESSFULLY

FROM TIME TO TIME IN THE PAST WE HAVE BEEN ASKED WHY IT IS THAT PROGRAMS ON TAPE SUDDENLY EITHER REFUSE TO LOAD, OR LOAD SPORADICALLY, OF COURSE THE ARE VARIED REASONS FOR THIS, FOR EXAMPLE: DIRTY PLAYBACK HEADS : WORN TAPES: & THE VARYING LOAD LEVELS PECULIAR TO M.S.X PROGRAMS.

HOWEVER OUR EXPERIENCE PROVES THE MAIN PROBLEM IS DUE TO MISALIGNMENT OF THE PLAYBACK HEAD OF YOUR RECORDER, A PROBLEM WHICH IS QUITE SIMPLE TO RECTIFY.

The recorder heads are mounted by two small screws, one of which has a spring, usually the lefthand screw, you will notice above the screw a hole in the casing to enable a screwdriver to be inserted in the screw head.

Now we must assume that you are able to hear the loading sounds as a tape is loading, at the start of each program there is a high pitched SQUEALING sound, this is the sound you wish to tune the recorder into. (If your recorder does not have this sound facility the following will have to be done by trial & error methods).

Now, with the tape inserted, pressing the play button will bring the screw in line with the access hole, insert the screwdriver into the screwhead, LOWER THE LOAD LEVEL BUTTON TO IT'S MINIMUM.

Type the loading instruction then press ENTER or RETURN to start the tape loading, on hearing the highpitched loading signal, adjust the screw either left or right until the sound is at it's LOUDEST, you may have to rewind the tape & repeat this procedure a few times until satisfied.

When completed, move the load level button to the centre range, & load tape as normal, all of your programs should now load perfectly.

Though this is a simple operation, Knowing some people are not comfortable doing this sort of thing for themselves, if this is the case we strongly advise getting it done by a qualified technician.

As a last resort, send the recorder to us with sufficient RETURN POSTAGE & we will adjust it FREE OF CHARGE.

DO NOT USE A COMMERCIAL TAPE FOR THIS PROCEDURE AS THESE ARE MULTITRACKED, & YOU COULD THEREFORE ADJUST YOUR RECORDER TO A TOP OR BOTTOM TRACK. ONE OF OUR RECORDED TAPES WILL GIVE YOU A GOOD CENTRAL POSITION.
